Module A. Basic sciences																																																
1. Anatomy	30	30		20																																							60	20	3					E
2. Physiology	30	20		20																																							50	20	3					E
3. Pathology								20	20		20																																40	20	3					E
4. Genetics	30	20		20																																							50	20	3					z.o.
5. Biochemistry and Biophysics	30	20		10																																							50	10	2					z.o.
6. Microbiology and Parasitology								30	20		10																																50	10	3					z.o.
7. Pharmacology															30	30		10																									60	10	3					E
8. Radiology															20			10																									20	10	1					z.o.
Total:	**120**	**90**		**70**				**50**	**40**		**30**				**50**	**30**		**20**																									**380**	**120**	**21**					
Summary:	**280**							**120**							**100**																																	
Module B: Social Sciences and Humanities																																																
9. Psychology	30	20		15																																							50	15	2					z.o.
10. Sociology	30	20		10																																							50	10	2					z.o.
11. Pedagogics	20	20		10																																							40	10	2					z.o.
12. Medical law	20	20		15																																							40	15	2					z.o.
13. Public health	30	30		20																																							60	20	3					z.o.
14. English Language 1		60																																									60		2					z.o.
15. English Language 2									60																																		60		3					E
Total:	**130**	**170**		**70**				**0**	**60**		**0**																																**360**	**70**	**16**					
Summary:	**370**							**60**																																									
Module C: Science in the Basics of Nursing Care																																																
16. The Basics of Nursing 1	30		30	30	20																																						60	30	3	20	1			z.o.
17. The Basics of Nursing 2								30		30	30	60		120																													60	30	2	60	2	120	4	E
18. Health Promotion															30	15		15	20																								45	15	2	20	1			z.o.
19. Basic Health Care 1																													30	15		15	80		80									45	15	2	80	3	80	3	z.o.
20. Basic Health Care 2																																				30			15	40		80	30	15	2	40	1	80	3	E
21. Dietetics	15	15		15																																							30	15	2					z.o.
22. Physical Examination								15	30																																		45		2					E.
23. Ethics for Nurses								15			15																																15	15	1					z.o.
24. Hospital Infections																						15	15																				30		2					z.o.
25. Organization of Nursing Work								15			10																																15	10	1					z.o.
26. Information system in health care																30																											30		1					z.o.
27. Elective classes to choose from: Sign Language / Collaboration in Health Care Teams**																																					30		30				30	30	2					z.o.
Total:	**45**	**15**	**30**	**45**	**20**			**75**	**30**	**30**	**55**	**60**		**120**	**30**	**45**		**15**	**20**		**0**	**15**	**15**		**0**	**0**		**0**	**30**	**15**		**15**	**80**		**80**	**30**	**30**		**45**	**40**		**80**	**435**	**175**	**22**	**220**	**8**	**280**	**10**	
Summary:	**155**							**370**							**110**							**30**							**220**							**225**													
Module D: Specialty Care Sciences																																																
28. Internal Diseases and Nursing in Internal Medicine 1								30	15		25	60		80																													45	25	3	60	2	80	3	z.o.
29. Internal Diseases and Nursing in Internal Medicine 2															30			15	60		80																						30	15	1	60	2	80	3	E
30. Pediatrics and Pediatric Nursing 1																						30	15		15	80		80															45	15	2	80	3	80	3	z.o.
31. Pediatrics and Pediatric Nursing 2																													30			25	80		80									30	25	2	80	3	80	3	E
32. Surgery and Surgical Nursing 1															30	15		25	40		80																						45	25	2	40	2	80	3	z.o.
33. Surgery and Surgical Nursing 2																						15	15		15	80		80															30	15	2	80	2	80	3	E
34. Obstetrics, Gynecology and Obstetric and Gynecological Nursing															30	15		15	80		40																						45	15	2	80	3	40	2	E
35. Psychiatry and Psychiatric Nursing																																				30			15	80		80	30	15	2	80	3	80	3	z.o.
36. Anesthetics and Nursing in Life-Threatening Situations																																				15	15		20	80		80	30	20	3	80	3	80	3	E

37.	Basis of Rehabilitation															15	15		30																								30	30	2					z.o.
38.	Neurology and Neurological Nursing																												30			30	80		80								30	30	2	80	3	80	3	E
39.	Geriatrics and Geriatric Nursing																						15	15		10	80		80														30	10	2	80	3	80	3	E
40.	Palliative Care																												30	15		20	40		40								45	20	2	40	2	40	2	z.o.
41.	Academic Research in Nursing 1*																												15	15													30		1					z.o.
42.	Academic Research in Nursing 2*																																					30					30		2					z.o.
43.	Long Term Care in Nursing																						15	15		15	40		40														30	15	2	40	2	40	2	z.o.
44.	Basics of Emergency Medical Service								15	45		10																														60	10	2					z.o.
	Total:								**45**	**60**		**35**	**60**		**80**	**105**	**45**		**85**	**180**		**200**	**75**	**60**		**55**	**280**		**280**	**105**	**30**		**75**	**200**		**200**	**45**	**45**		**35**	**160**		**160**	**615**	**285**	**34**	**880**	**33**	**920**	**36**	
	Summary:											**280**							**615**							**750**							**610**							**445**											
Other																																																			
45.	Physical Education 1																30																										30		0					zal.
46.	Physical Education 2																							30																			30		0					zal.
47.	Occupational Health and Safety	4																																									4		1					z.o.
	Total:	**4**															**30**							**30**																			**64**		**1**					
48.	Preparation for the exam and diploma exam																																												10					E
	Total:																																												**10**						
	Total hours:	**299**	**275**	**30**	**185**	**20**			**170**	**190**	**30**	**120**	**120**		**200**	**185**	**150**		**120**	**200**		**200**	**90**	**105**		**55**	**280**		**280**	**135**	**45**		**90**	**280**		**280**	**75**	**75**		**80**	**200**		**240**	**1854**	**650**	**104**	**1100**	**41**	**1200**	**46**	
	Summary:																																											**4804**					**191**
