

The Angelus Silesius University of Applied Sciences

Study Mode: full-time

1 year

NURSING		2023/2024										2024/2025										2025/2026										hours teaching	self-education	ECTS credits	practical classes	ECTS credits	apprenticeships	ECTS credits	exam						
Academic year:		1st semester					2nd semester					3rd semester					4th semester					5th semester					6th semester																		
Name of course		in	cl	p	z.p.	p.z.	in	cl	p	z.p.	p.z.	in	cl	p	z.p.	p.z.	in	cl	p	z.p.	p.z.	in	cl	p	z.p.	p.z.	in	cl	p	z.p.	p.z.									in	cl	p	z.p.	p.z.	
Module A: Basic sciences																																													
1.	Anatomy	30	30	20																															60	20	3								E
2.	Physiology	30	20	20																															50	20	3								E
3.	Pathology						20	20	20																										40	20	3								E
4.	Genetics	30	20	20																															50	20	2								z.o.
5.	Biochemistry and Biophysics	30	20	10																														50	10	2								z.o.	
6.	Microbiology and Parazytology						30	20	10																									50	10	3								z.o.	
7.	Pharmacology																30	30	10																60	10	3								E
8.	Radiology																20	30	10																20	10	1								z.o.
Total:		120	90	70			50	40	30							50	30	20																380	120	20									
Summary:		280					120					100																																	
Module B: Social Sciences and Humanities																																													
9.	Psychology	30	20	15																														50	15	2								z.o.	
10.	Sociology	30	20	10																															50	10	2								z.o.
11.	Pedagogics	20	20	10																															40	10	2								z.o.
12.	Medical law	20	20	15																															40	15	3								z.o.
13.	Public health	30	30	20																															60	20	3								z.o.
14.	English Language 1		60																															60		2								z.o.	
15.	English Language 2							60																											60		3								E
Total:		130	170	70			0	60	0																									360	70	17									
Summary:		370					60																																						
Module C: Science in the Basics of Nursing Care																																													
16.	The Basics of Nursing 1	30	30	30	20																													60	30	3	20	1						z.o.	
17.	The Basics of Nursing 2						30	30	30	60	120																								60	30	2	60	2	120	4				E
18.	Health Promotion											30	15	15	20																			45	15	2	20	1							z.o.
19.	Basic Health Care 1																30	15	15	80	80													45	15	2	80	3	80	3					z.o.
20.	Basic Health Care 2																						30		15	40	80							30	15	2	40	1	80	3				E	
21.	Dietetics	15	15	15																															30	15	2								z.o.
22.	Physical Examination						15	30																											45		2								E
23.	Ethics for Nurses						15		15																										15	15	1								z.o.
24.	Hospital Infections											15	15																						30		2								z.o.
